What is MemphisComp?

Safety is a key driver in keeping workplace injuries, claims volume, and premiums low. A clear safety program leads to empowered and motivated employees. While most employers recognize the importance of safety, they often struggle to implement a well-designed safety program.

We help design, implement, and improve safety processes and programs with regular communication, tools & systems, training, injury reporting, etc.

What are the key benefits?

- Expert underwriting augmented with artificial intelligence and extensive data resources
- Superior claims management that lowers claims costs and expedites return to work for injured employees
- Exceptional customer service, including comprehensive account onboarding
- Effective loss control and safety programs help keep premiums low
- Broad appetite for tougher industries – ideal for transportation, manufacturing, and construction
- Multiple payment plan options, including payroll reporting with no deposit required

Who provides the insurance?

- The program is underwritten and administered by Method Insurance
- Method utilizes multiple insurance carriers to provide coverage nationwide
- Sneed Insurance, a Greater Memphis Chamber member, serves as the agency of record for the program
